Innovations in Teaching Methods:-						Extensive use of Internet for providing

	<p>reading material, even at University level. The department registers extensive use of computer and Internet by way of posting reading material on the official web site of the college.</p> <p>Students are also provided reading material on line.</p> <p>On line instructions – clip board e book series for TY BCom</p> <p>Student seminars are common and are integral part of teaching plan</p> <p><i>In the teacher evaluation by students conducted during January 2010, out of a maximum of 4.0, the aggregate scored was 3.331 with, 3.565 in core subject-related, teaching and class room skills 3.380.in attitude towards students and 3.047 in additional, peripheral skills and activities</i></p>	
<p>Innovation in evaluation Methods:-</p>	<p>Student seminars are conducted for assessment of projects at Third year. Also at First and Second years but non-credit.</p> <p>Non credit term examinations and preliminary examinations at Final year degree</p> <p>On line submission of students' projects is allowed. It was not very encouraging due to cost factor and computer penetration at student level. Yet students have choice.</p>	
<p>Plans for coming five years :-</p>		
<p>Annual budget for the department for library.</p>		
<p>YEAR</p>	<p>Allocation (RS)</p>	<p>Utilization (RS)</p>
