Post Graduate Diploma in Perfumery & Cosmetics Management (PGDPCM)
(Affiliated to University of Mumbai) Recognized by the UGC as an Innovative Program.

Goals and Objectives: The main objective of the program is development of directly employable manpower – middle level technical and managerial – for the fast growing cosmetic and perfumery industry in India and abroad.

The Perfumery and Cosmetology course, is the first of its kind in India where Perfumery and Cosmetic Science & Commerce is taught under one roof. It is a niche area where there is no integrated industry recognized training programs or courses in the country. The skilled personnel are imported from other countries or the industry spends huge funds for training programs.

The Curriculum of the courses will give a dual competence to the students by imparting technical know-how as well as managerial training required by the perfumery and cosmetology industry.

The students are thoroughly acquainted with the classical as well as applied approach to both the techniques. Every theoretical detail will be supplemented by hands on practical training. On the other hand, the management training engineers the persons into proactive managers. As the result the students emerge out as excellent management executives with adequate knowledge of the product in hand and the industrial manufacturing process. PGDPCM, programs envisages short term Certificate Courses on topics like HerbalCosmetics,

Safety Testing, Efficacy Testing, Clinical Trial Procedures, Fragrance Application, Soaps and Detergents, Toiletries, Aroma Therapy etc at a later stage.

Nature of Course:

The course is two-year full time and was established in the academic year 2005-06.

Faculty:

VisitingFaculty: Entrepreneurs in the field and Professionals working in the industry with at least two years relevant experience

Specific Infrastructure: The infrastructure requirements of the programme are as per the industrial guidelines.

Library:

The college provides a full-fledged and exclusive library covering a wide range of books and

journals on all the technical, theoretical and managerial aspects of perfumery and cosmetics industry. The library also provides selected access to the worldwide web for specific literature search relevant to the course.

Computing Facilities:

General computing facilities are made available to the students where in they can access the Internet for general searches to facilitate their project work and also avail of the MS Office software for their daily assignments, tutorials and presentations.

Laboratories:

There are four air-conditioned state of the art laboratories such as Perfumery Lab, Decorative Cosmetics Lab, Personal Care Lab and Instrumentation Lab. All the laboratories are Fully equipped with the necessary fittings, materials & instruments.

Curricular Procedures:

Admissions:

Number of seats for the course: 25 students per batch. Admission will be given on merit. Up to 20 percent of the seats may be reserved for candidates sponsored by the industry.

Eligibility:

Minimum qualification for eligibility is Graduation with Chemistry as one of the Major / Subsidiary subjects or Bpharm or B.Tech.

Relaxation:

Students with Graduation in any subject will be considered provided they have acquired acknowledged professional experience of at least three years in the specific perfumery/ cosmetics industry.

Entrance/AptitudeTest:

An Entrance/ Aptitude Test (written or viva) will be conducted if needed. In case of writtentest, there will be 60 Objective Type Questions, made up of General Aptitude (10) and Chemistry Aptitude 50. Each correct answer will carry 3 marks and each wrong answer will carry minus one (-1) mark. Basic knowledge of chemistry in the following areas will be tested:

Laws of chemical combination - mole concept - chemical and ionic equilibrium – chemical thermodynamics and energetics - theory of absorption and colloidal chemistry – principles and methods of purification of substances - chemistry of carbon compounds

and IUPAC system - aromatic compounds - silicon - optical activity - carbohydrates, proteins and fats and synthetic fibers.

Syllabus:

The course syllabi are made up of 8 Technical Papers in Perfumery and Cosmetics equally distributed in two years and 8 Commercial/Managerial Papers equally distributed in two years as given in the prospectus.

Number of Lectures:

There will be two lectures per paper per week of 60 minutes duration. Papers with regular practical components will have three periods of practicals per week. (In case of Decorative Cosmetics, there will be one practical of three periods per month.)

Examination And Grading:

Marking Scheme:

Perfumery Papers I&II, Cosmetics Paper I to IV, Fundamental & Applied Chemistry and Decorative Cosmetics and Management papers:

Annual Exam 60 marks and Continuous Assessment 40 Marks

Continuous Assessment:

Internal or Continuous Assessment will Include Practical, Tutorials, Fieldwork, Industry Visit, Product Development, Research Work, Project work, Assignments, GD, Viva, etc as per requirement of subject. The respective faculty members will announce the scheme at the beginning of the academic year.

While the Annual Examination is treated as one head of passing, the Practical, Project and Other forms of assignments taken together will be treated as one-head of passing.

Standard of Passing:

A student will be declared Pass and eligible for the PGDPCM provided he/she secures 40 percent marks each in Internal/ Continuous Assessment (including project taken together) and Annual Examinations separately and 40 percent marks in aggregate.

On-The-Job Training:

At least two months of Industrial exposure (on the job training etc) is a condition for the award of the Diploma either during the course or immediately after the course. The scheme

will be finalized in consultation with the collaborating industry.

B VOC in TOURISM AND HOSPITALITY

The University Grants Commission (UGC) had launched a scheme for Skill Development in higher education, leading to a three-year Bachelor of Vocation (BVoc) degree with multiple exits. Designed by The Kelkar Education Trust's V.G. Vaze College (Autonomous), the BVoc program is focused on Undergraduate studies which incorporate specific job roles along

with general education, oriented towards employment opportunities in the Tourism and Hospitality sector.

OBJECTIVES OF THE PROGRAMME

- To provide skills for self-employment or ready employability.
- To train students to suit the user industry requirement.
- To apply high technology methods of teaching and training
- To establish industry-curriculum interface for mutual advantage

Eligibility:

FY BVOC - 12th in any stream or equivalent (in this case the decision remains in college administration).

Duration:

The duration of the BVoc (Tourism and Hospitality) programme is 3 years (6 semesters). After completion of Semester I students will be awarded a certificate, after passing of Semester II students will qualify for Diploma, on completion of 4 semesters the student will qualify for Advanced Diploma and after completing VI semesters the student will be awarded B.Voc Degree (NSQ F LEVELS 4,5,6 & 7 respectively).

Syllabus:

The syllabus consists of General Components and Skill Component papers from Semester I to Semester VI. General Components have 40% weightage of credits in each of the 6 semesters. The General education components include the curriculums of normal university standards (University of Mumbai in this case).

The syllabus of Skill Component in each semester is aligned to the Qualification Packs of theselected job roles in the Tourism and Hospitality sector. This curriculum is as per NationalOccupational Standards (NOS) defined by the Sector Skill Council, India (Nodal agency for Skill Development under the HRD ministry-now Ministry of Education).

Both the general component and Skill Component attempt to provide holistic development of the students.

The program structure includes-

- Language studies
- Soft skills and personality development programmes
- Projects for industry preparedness
- Internship
